**WHERE NATURE BLENDS
IN BALANCE**

OMARJAN

Omajjan, a small Emirati village through generations, has grown as the maritime capital of the Arab world. It stands as a guardian of history, faith and heritage. There, with a language whispered along its shores and through the porous fabric of its craftsmanship, it is an Omajjan that measures knowledge, because every story, and finally a bridge between the richness of its past and the promise of what is yet to come.

Omajjan, where knowledge is measured with the tape of time, is a place that will continue to inspire, it gives no resting, to have a family within the warmth of shared values.

HOME

WHERE FAMILIES BELONG FOREVER

From smart, beautifully thoughtfully designed spaces, and the joyful moments of children at play, there is nothing better every day than spending time home. Home is more than a destination, it's a feeling of belonging that stays with you for a lifetime.

THE SIX CLUSTERS

TWO DESIGNS. ONE COMMUNITY

Two clusters, two distinct social structures and economic patterns and behaviors, speak the contemporary vernacular. Distinct built forms, streets and landscapes, an intuitive, multi-modal urban fabric that is both multi-use and porous, and all are connected through a green central valley, separate in character, yet one in spirit. Move between them and the street shifts gently, from street modern flow to car, street style and shade, from a single thread line through them all, the same greenery, the same extraordinary view of town.

THE ARRIVAL EXPERIENCE

"A WING IN FLIGHT"

INSPIRED BY THE SPIRIT OF THE MOON

Arrival is the first act of belonging. Inspired by a falcon in flight, a moment of movement, grace and effortless grace, the entry wayway rises not as a gate but as the wing caught in flight and its center, it flows gently to the earth giving life to the landscape below light flows across the earth through the day, as their to arrival is seen quite the same.

AZIZI BARDINI PARK

NOT SIMPLY A PARK. A DESTINATION.

At the heart of Dubai Finance lies a park like no other. Building on its owners' vision and standing as the community's defining landmark.

Spread across 17 million sq ft, it makes life so much simpler, open air concrete golden sunrises where every path leads and where the extraordinary becomes everyday. It's not just a park, it's the city's rhythm, room to play, to gather, to pause, an air where people to discover an evening into an occasion. This is where the community comes to breathe, to relax and to belong.

AZIZI BARDINI PARK

THE HEART OF THE COMMUNITY

Central Park unfolds as two distinct worlds, each designed to serve a different part of the city. An urban oasis, nestled within a vibrant urban core, is a lush and green landscape that brings people together, a community space that fosters connection, a place where nature's splendor is intertwined with urban energy, and a testament to the beauty and resilience of the city.

AZIZI BARDINI PARK

ENDLESS EXPERIENCES

Imagine mornings that begin with a nutritious breakfast and beautiful landscapes, afternoon bring your favorite coffee from the cafe that allows you to sit by the water, an evening time spent at the family and friends, beautiful views, water, and beautiful moments, and the night, as the heart of the community, bringing back companions along the way, offering spaces to enjoy, connect, and embrace whatever the day brings.

Intimate partner: It is worth remembering that intimate relationships with you, your family and your friends should always be designed to delight, comfort and inspire. Relationships in conflict, deepened with more and more things done more often together, turning everyday things into extraordinary ones, will not work.
